

Notice to Baan LN Users

Dear Members & Sponsors

It is with regret that Baan LN Users has decided the Spring Event 2020 should be rescheduled due to the Coronavirus outbreak. The event will now take place on October 13th and 14th at the same venue, the Radisson Blu at Manchester Airport.

We had hoped that news of the virus spreading would have abated and it would be safe for our members, sponsors, speakers and staff to attend the conference as planned. As this is not the case we have made our decision to reschedule as a precaution to protect the health and safety of all concerned.

All sponsorship and attendee registrations will remain valid so there is no need to re-confirm any bookings. If you have already booked for the event you do not need to do anything, however any organisation or individual wishing to change their booking (sponsorship or attendance) for the event may do so by contacting us directly. Just email or phone and we can discuss it further. If you had already booked a hotel room then you will need to speak to the hotel yourself.

I apologise for any inconvenience caused and hope you are supportive of this decision. Baan LN Users continue to have the well-being of our members, sponsors, speakers and staff at the forefront of our decisions and will continue to monitor the situation closely. For now we look forward to seeing you at the conference in October.

In the meantime, so that we can continue to deliver value to our membership, we will broadcast a series of webinars commencing April 29th (exact date and time to be confirmed) so please mark this in your diaries and continue to monitor the website and emails.

Regards,

Chris Truin

Chairman, Baan LN Users UK
